

## CLAIMS

I claim:

- 1        1. A beach lounge chair cover, comprising:
  - 2            a first elongated, rectangular sheet of fabric having a head
  - 3            end, a foot end, and two opposing sides;
  - 4            a second elongated, rectangular sheet of fabric having a
  - 5            head end, a foot end, and two opposing sides, the second sheet
  - 6            being equal in size to the first sheet and being dimensioned and
  - 7            configured for covering a beach lounge chair, the first and
  - 8            second sheets being permanently attached to each other about
  - 9            their perimeter in order to define a cover, the cover having an
  - 10           opening defined therein along one of the opposing sides;
  - 11           a releasable fastener attached to the opposing sides of the
  - 12           first and second sheets about said opening;
  - 13           an elongated cushion inserted between the first and second
  - 14           sheets, said cushion being dimensioned and configured for
  - 15           extending between the head end and the foot end and between the
  - 16           opposing sides of the first and second sheets, said cushion being
  - 17           insertable and removable through the opening in said cover;
  - 18           first and second panels of fabric attached to the second
  - 19           sheet at the head end and the foot end, respectively, in order to
  - 20           define pockets for securely attaching said cover to the beach
  - 21           chair lounge; and
  - 22           a pillowcase attached to the head end of the first sheet.

1        2.    The beach lounge chair cover according to claim 1,  
2 wherein the releasable fastener comprises mating strips of hook  
3 and loop fastening material.

1        3.    The beach lounge chair cover according to claim 1,  
2 wherein the comprises a zipper.

1        4.    The beach lounge chair cover according to claim 1,  
2 further comprising first and second strips of fabric, each of said  
3 strips of fabric having a first end sewn to the head end of the  
4 first sheet and a second end sewn to the pillowcase, whereby the  
5 pillowcase is tethered to the cover.

1        5.    The beach lounge chair cover according to claim 1,  
2 wherein said pillowcase has an opening defined therein adapted for  
3 receiving a pillow.

1        6.    The beach lounge chair cover according to claim 5,  
2 further comprising a releasable faster defined about the opening  
3 defined in said pillowcase.

1        7.    The beach lounge chair cover according to claim 7,  
2 wherein said releasable faster comprises mating strips of hook and  
3 loop fastening material.

1        8.    The beach lounge chair cover according to claim 7,  
2 wherein said releasable faster comprises a zipper.

1           9.    The beach lounge chair cover according to claim 1,  
2 wherein said pillowcase is sewn directly to the head end of said  
3 first sheet.

1           10.   The beach lounge chair cover according to claim 1,  
2 further comprising a plurality of storage pockets depending from  
3 the opposing sides of said first sheet.

1           11.   The beach lounge chair cover according to claim 1,  
2 wherein said first and second sheets and said pillowcase are  
3 made from a washable fabric material.
